Subject: Call with Columbia Riverkeeper

Hi Helen,

I'm following up with you to let you know that I received a callback from Columbia Riverkeeper late yesterday. It was a cordial exchange and Lauren understood our situation, but she said she stood by her complaint. I accepted that and asked her to provide us feedback during the public meeting so we can address as lessons learned going forward. I apologize for not looping you in on the call, but it was a brief call and I think all is okay, for now. I'll let you know if we hear anything else. Thanks for your help.

Chris
